Annual Declaration of Interests[1] (DoI) form
(v2, 01 July 2026)

European Commission initiative on Lung Cancer (EC-LuC)

Please answer each of the questions below.
If the answer to any of the questions is "Yes"[2], please complete the corresponding fields, describing the circumstances, as appropriate.

If you do not submit a filled-in and signed DoI form, please consider that you cannot be involved in the EC-LuC activities.
If you do not disclose relevant activities of interest for the EC-LuC, your role may be revised.

[1] According to EC's Decision C(2016) 3301 establishing horizontal rules on the creation and operation of Commission expert groups, Articles 2(4) and 10, each member of an expert group has to complete a DoI form
https://ec.europa.eu/transparency/documents-register/detail?ref=C(2016)3301&lang=en

[2] Answering "Yes" to the questions on this form does not automatically limit your participation in the EC-LuC activities. Your answers will be reviewed to determine whether you have a conflict of interest (CoI) (*i.e.* any interest that may affect, or may reasonably be perceived to affect, an expert's objectivity and independence).
