

European Commission Initiative on Breast Cancer (ECIBC)

Annual Declaration of Interests¹ (DoI) form (version n°2)

Please answer each of the questions below.

(Please insert rows as needed for subsequent or parallel activities of the same nature)

The questions refer to the last five years of activity (January 2017- December 2021).

If the answer to any of the questions is "Yes", please complete the corresponding fields, describing relevant interests and circumstances, as appropriate.

If it is not clear under which category of the form to declare an interest, you can declare it under "Other activities".

If you do not disclose relevant activities of interest for the ECIBC, your role as a working group member may be revised.

If you do not submit a filled-in and signed DoI form, you cannot be involved in the ECIBC activities.

¹According to European Commission's Decision C(2016) 3301 establishing horizontal rules on the creation and operation of Commission expert groups, Articles 2(4) and 11 each member of an expert group has to complete a DoI form

Definitions and/or explanations:

"Conflict of interest" represents a set of conditions in which professional judgment concerning a primary interest such as the health and well-being of a patient or the validity of research is improperly influenced by a secondary interest.

"Immediate family member" includes the individual's spouse, children and parents, irrespective whether they live at the same address or not.

"Spouse" includes a partner with whom the individual has a registered marital or non-marital regime.

"Children" refers to the child(ren) the individual and the spouse have in common, the own child(ren) of the individual and the own child(ren) of the spouse.

In the corresponding section of the DoI form, please declare (if any) current direct interests related to the topic of breast cancer, i.e. employment, consultancy, strategic advisory role, financial interests, of your immediate family members.

"Legal entity" is any commercial business, industry association, consultancy, research institution or other enterprise whose funding is significantly derived from commercial sources. It also includes independent own commercial businesses, law offices, consultancies or similar.

"Body" implies a governmental, international or non-profit organisation.

"Meeting" includes a series or cycle of meetings.

"BC" refers to breast cancer.
